#### 2. HER THANKFULNESS FOR THE SMALLEST MERCY

Objects seem large or small according to the medium thru which they are viewed. In the microscope what a remarkable change they undergo. The humble moss, rises into a graceful tree; the beetle, armed for battle, flashes in golden or silver mail; a grain of sand swells into a mass of rocks; and on the other hand, a mountain looked at thru the wrong end of a telescope sinks into a mole hill, and the broad lake contracts into a tiny pool. Even so, according as we look at them with the eyes of self-condemning humility or of self-righteous pride, God's mercies seem great or little. For example, a minister of the gospel passing one day near a cottage was attracted to its door by the sound of a loud and earnest voice. It was a bare and lonely dwelling, the home of a man who was childless and poor. Drawing near this mean and humble cabin, the stranger at length made out these words, "This and Jesus Christ too," as they were repeated over and over in tones of deep emotion of wonder, gratitude and praise. His curiosity was aroused to see what that could be which called forth such fervent, overflowing thanks. Stealing near, he looked in at the patched and broken window, and there in the form of a grey, bent, worn-out son of toil, at a rude table, with hands raised to God and his eyes fixed on some crust of bread and a cup of water, sat piety, peace, humility, contentment, exclaiming, "This and Jesus Christ too."

Such was the spirit of this woman's reply. It says, "Lord, deserving nothing, I shall be thankful for anything. To ask for myself or poor child such honors as the mother of Zebedee's children sought for her sons, to minister like these favored women to thy necessities and with these hands to supply thy table or spread thy couch, to follow thee as thy shadow, bending to unloose the latchet of thy shoes, to kneel by thy side in prayer, like Martha and Mary to receive thee beneath my roof—these are honors I ask not for, I dare not aspire to. A poor Gentile, I seek nothing but the crumbs of thy table. Among thy many and mighty miracles in pity do some little thing for me, it will cost you but a word; speak that word and my daughter shall be healed. Save her, good Lord. I ask the least that I can do with. Let others sit at thy side, or lie in thy bosom, but grant my petition and a happy mother I shall be, content to sit in the dust and sing at thy blessed feet." This woman is a model Christian artist. What true grace and beauty in her humility!

And who, who has been brought to a just and deep sense of his sins, will refuse to be content unless he is raised to heaven's highest throne and wears its brightest crown? A drowning man plucked from the jaws of death is happy with three feet of bare rock beneath him, happier than others with thousands of broad acres. The wretched borne shoredward in the lifeboat that is making for land thru roaring seas and winter storms are happier than Egypt's queen when the sun gleamed on her golden galley and the silken sails swelled in the summer breeze and the world's great conqueror knelt at her feet. And there is no humble Christian, no lover of Jesus, but who is happier with the hope of heaven, with Christ in him, the hope of glory, than the men of the world with their corn and their wine and do most about and all things go well with them. Tho' a beggar the child of God parts not with that hope for all the wisdom and wealth of Solomon. To get within that blessed doo, to have a place not nearest the King but on the outside of the circle around the throne, to bear the lowest title among heaven's nobles, to be the weakest child of God's family, the humblest servant in Christ's house, the dimmest, smallest jewel in His crown, the least and less than the least of all saints, is a hope that sets the heart singing.

### A Wonderful Friend In Time of Need

I feel like praising God this morning for His great love and mercy to us. I surely do thank and praise Him for ever saving my soul, sanctifying and filling me with the sweet Holy Ghost and for His great healing power. I have been trusting the Lord with my body ever since before I was saved. Praise His sweet name! I believe I love Him this morning better than anything in this world. I was dying and was lost and I began to plead with God for mercy and I vowed to Him if He would give me one more chance to get ready to meet Him I would trust Him from then on, and praise His dear name He heard my cries and has healed my body for the last twelve years.

I want to praise God for our good home coming day, Sept. 13. We surely did have a good day. We praise God for our good pastor and family, Brother and Sister Rumler. They surely have been a blessing to Manatee church. We have a better Sunday School now than we have ever had and the best one in town. Our attendance every Sunday is two hundred and more. Sister Rumler has been so sweet to everybody and a blessing to the young people. Everyone is hoping they will be with us next year, not only the members of the church but outsiders as well.

My husband is unsaved and I want everyone of God's children who reads this to please have a special prayer for him that God will get hold of his heart so he can't rest until he finds rest for his soul. Please pray for my daughter and me that we will always stay in the center of God's will and be ready to go with Him when He comes or calls us.—Your sister in Christ, Mary Carter, 1730 6th Ave., Manatee, Fla.

### Revival Closed At Calhoun, Ga.

CALHOUN, Ga. — I am praising the Lord this evening for a full and free salvation and for the good old time power. We have closed a two weeks' meeting at this place with good success. We had Brother T. L. Willix of Cleveland, Tenn. with us who did most of the preaching. The Lord blessed him wonderfully in giving out the Word which was food to our souls. There was dancing and talking in tongues. Five were saved, eight received the Holy Ghost, four came into the church and others are to come in later. How we praise the dear Lord for them. Others want the blessing. We also observed the Lord's Supper and washed the saints' feet Sunday night. The Lord surely did bless. The power fell and the saints danced and talked in tongues. We had a wonderful time with the Lord. We thank God for men like Brother Willix and our pastor, Brother Burke, who will preach the Word in its fullness. — Your sister in Christ, Lillie Silvers.

### Convinced That Church of God is Right

SHELBURN, Ind.—Just a few days ago we closed a revival meeting at Crisfield, Md. with great success. Several were saved sanctified and filled with the Holy Ghost. Many were convinced that the Church of God is right. The large hall was crowded most every night and they gave good attention to the preaching of the Word. They were good to help in the offerings. The little church is made up of true blue saints. They will stand by the man that preaches the truth and shout for him while he preaches. We got acquainted with several new friends whom we learned to love and will never forget them. Praise the good Lord. We hope to meet them again on this earth but if not, we hope to meet them at the marriage supper.

We also were in two services at Cambridge and two at Baltimore. We enjoyed these services very much. The people treated us so nice and we could feel the Christian fellowship and the presence of the Lord. Yours for lost souls, C. H. Standifer.

### NOTICE!

I have had quite a few inquiries from different states asking for advice as to how the deacons may get their license changed for the new form just passed on by the Assembly. The deacons in each state should send to the overseer of their state their old papers, they will in turn mail them to Headquarters and they will receive the new license. In case there are any preachers among this board of deacons who should have license to preach, they may exchange their deacon license for evangelist license, or in case the local church and the state overseer deem it best to give them bishop license, they can do that, but where the deacon license are changed for evangelist license or bishop license, it will be necessary for them to fill in the questionnaire blank. This is done for the convenience of our files so that proper records may be kept.

Hoping that this will be the information that all state overseers and deacons want, I remain yours for a successful year, S. W. Latimer, General Overseer.

Material for this department should be mailed to Zeno C. Tharp, Mission Secretary, 203 Parris Ave., Greenville, S. C.

### GOD'S CALL TO THE HARVEST FIELD

Matt. 13:38, "The field is the world." The field in which were sown good seed and tares was the WORLD. There is a world that is "WHITE UNTO HARVEST." It is in one big field. All of it is ripe and ready for harvest. Some places the grain seems thicker than others and I wonder if it is ripier there. Anyway, it all needs reaping.

We hear a call, "Lift up your eyes and look." John 4:35. When we do this what do we see? The United States of America? Yes, but not only that. North America? Yes, and more. South America? Yes, and more than that. Dark Africa, India, Japan, and China, where the harvest is so thick. All Asia, Europe, and the whole world. Do we see it? Get a map of the world and see what a small part of it we live in.

What else do we see? We see one little corner where most all the workers are gathered. They seem to be happy. We can hear them singing, praying, shouting and doing a good work. But still the workers are almost in each other's way. (Twice as many preachers as we have churches.) While one is starting to reap a bunch of grain another steps up and reaps it. Most all of them want to take care of that which is all ready reaped instead of trying to reap more. While away over in the middle we see a lone worker here and there with grain bending all around him. It seems to be pushing at him from every direction. He is calling for more help, while he works. Once in awhile some one from over in the crowded corner looks up at him but he is so far away and no way to get there that he soon drops his head and goes back to work in the same crowded corner. Again we hear a call from the Master,

LIFT UP YOUR FEET AND GO  
"Go ye therefore," Matt. 28:19. As different ones hear the call, few seem to think that it applies to them. Others consider it, but of course many excuses are presented and they decide that it is impossible for them to go, while there are a few that are ready and willing to go if only they could get there.

So on and on the time flies while the harvest is still unreaped. It is true that many can't go but we hear another call from the Master that we all can heed.

### LIFT UP YOUR HEART AND PRAY

"Pray ye therefore the Lord of the harvest that He will send forth laborers into his harvest." Matt. 9:38. All of us can lift up our hearts and pray for laborers to be sent into the harvest. We can pray for those who have already gone and then if God sees fit in answering our prayer to send us, may we say, "Thy will be done," and not try to take our prayers back or pray backwards. I think many times we pray for God to make the other fellow do things that we ourselves would not want to do. But if we pray earnestly and from the heart, God can make us willing.

Of course our missionary prayer is not to send missionaries alone but to pray for those already there laboring.

I know of some old people who were not even able to go to church much, but they never lost the missionary spirit. And while they were confined to their homes not a morning passed but what they prayed for all the missionaries. It was not just a short prayer, but a prayer from the heart for the needs of the missionaries, whatever that need was. I don't doubt but what many missionaries received much benefit from some of those prayers even tho' they never knew them personally or who it was praying. Oh the good that has been accomplished by secret prayer that the world knew nothing about, but God knows and that brings the result. If we can do no more, we can LIFT UP OUR HEARTS AND PRAY. Remember this is a command as well as anything else. Then there is something else we can do, LIFT UP YOUR HANDS AND GIVE. "Freely ye have received, freely give," Matt. 10:8. We are not asking for a large amount from any one, but just a little, a few cents a week will count up. Of course, if God puts it on your heart to give more, you better obey.

The greatest reason for such few missionaries is that people do not lift up their hands and give. Some would give more if they knew where to give it and had the opportunity. The Assembly has asked us to put a missionary box in a handy place in our church, for those coming in who want to give, to put their offerings in. That is to be taken out and sent directly to E. J. Boehmer once a year and added to the missionary offering taken at the Assembly. May God help us to obey and freely give. All can help. There is no one who is left out. We can LOOK, GO PRAY, or GIVE.

### The Lord Hath Done Great Things

ALTOONA, Ala.—"The Lord hath done great things for us; whereof we are glad." Psa. 126:3. Our two weeks' revival at Altoona came to a close on August 31 with a goodly number at the altar. Many souls wept their way thru to victory. Fifteen were saved, eighteen sanctified, fifteen received the Holy Ghost, seventeen were added to the church and others are to come in later. A goodly number was anointed and prayed for the healing of their bodies and was healed. About twenty are to be baptized in water later.

We had Brother Z. D. Simpson, the pastor of Boaz church, and his string band with us two nights. Brother Simpson preached two fine sermons for us that were enjoyed by all. The band made some fine music. Our Altoona folks did good work in the altar and in singing. Brother Potts was with us the last week. He did some good preaching. The saints were wonderfully blessed. The town is stirred as never before. People came to the meeting who never had been to a holiness meeting. Many folks are looking this way. We ask the saints to pray for us at Altoona that the church here will be true to God and be a blessing to this town. I desire your prayers. —R. S. Robinson, pastor, Rt. 2.

### God Blesses In Giving Out The Word

SUMMIT, Ga.—We, the saints of God at Aaron want to sound a note of praise to God for sending Brother William B. Stone of Charleston, S. C. to this place to run a meeting. On Monday night Brother Stone began a fight against Satan. God did bless him in giving out the Word. He made it so plain until a little child could understand it. The church here had gone down and the saints had grown cold but in this meeting they were revived and began to get closer to the Lord. Sinners began to come to the altar and earnestly seek the Lord. There were several saved, two sanctified and one filled with the Holy Ghost for we heard her speak in tongues according to Acts 2:4.

Words cannot explain the good Brother Stone did here, by God's help, for we do believe that God sent Brother Stone here to build up the work that Satan was tearing up so fast. He stands foursquare for the Church of God. Both saints and sinners like Brother Stone and hated to see him go, but we hope he will come back and hold another meeting if it is God's will.

We all ought to be more careful and stay humble at God's feet and let him do our planning for us and be led by the Holy Ghost. God surely would bless us and it wouldn't be any trouble to get sinners to seek God. Bless the sweet name of Jesus.

I want to say that I yet stand up for Jesus. He is all this world to me, I am yet saved, sanctified and filled with the Holy Ghost and I am seeking a closer walk with God every day. Everyone who reads this pray for me. —A sister in Christ, Mrs. Hattie Crews, Rt. 2.

### Tent Meeting Great Success

SUMMITON, Ala.—The big tent meeting has come to a close. You remember the piece Brother Hicks put in the paper. Between one hundred and fifty and two hundred received the Holy Ghost. We don't know how many got saved and sanctified. One hundred forty-seven came into the church, one hundred forty-seven were baptized in water. The meeting is still going since we moved back to the church. They are still coming through to the Lord. The Lord is working in a wonderful way. The last day and night of the tent meeting I got \$360 promised on the state camp ground. I think this would be a good place for the state camp ground as we can get the land, water and lights. I would like to hear from the Committee of the camp ground as to what you have, or when you can meet me in Summiton, Ala.—G. C. Dunn, pastor.

### A New Church At Carrollton, Ga.

CARROLLTON, Ga.—We closed a successful revival Sunday night, Sept. 13, at this place. Four were saved, six sanctified and thirteen were baptized with the Holy Ghost. A new church was set in order with ten members. More are to come in later. Nine followed the Lord in water baptism. Brothers J. R. Abbott and B. G. Pomroy were in charge of the meeting assisted by Brothers W. H. Preston of Alabama and W. W. Rush of Texas. Brother W. A. Sullivan of Thomaston, Ga. was with us one night. We truly appreciate the help of these brethren and saints from the other states. Surely God will reward them for their labors. We extend to everyone a hearty welcome at any time. The writer will be in charge of the work for awhile. I earnestly solicit your prayers as this is a new field for the Church of God.

I am praising God because I am still saved, sanctified and have the good Holy Ghost. I am proud that my wife was one of the number that received the precious Holy Ghost in the revival here. I expect to trust Him to the end. Always remember us when you pray.—Your brother in Jesus, Lenon Easters, Gen. Del.

### CHURCH OF GOD ORPHANAGE

The last assembly year our orphanage work was more than a success. If you remember, we had two coupon drives, one for a bath equipment for the Boys Farm and one for fifty single beds for all the homes. These two drives were successes. Both of them together amounted to \$1197.80 and the Octagon Soap Company sent checks to the parties furnishing this material as soon as they received the coupons. We haven't words to express our appreciation for the kindness shown this institution by our people and also the Octagon Soap Company.

We are still receiving coupons and we have at this time approximately forty-three thousand. Our Boys' Home (farm) needs plastering. The plaster is old and is falling off. The Girls' Home was built something like ten years ago but the plastering was never satisfactory. It has been falling from the laths for the last several years. This home also needs painting and must have it in order to preserve the building. I am going to get a plasterer to figure on plastering the Children's Home and the Girls' Home and see what it will cost. Then I want to take this up with the Octagon Soap Company and see if they will pay for these jobs thru coupons. When I get an estimate of how many coupons it will take, I will put a notice in the paper.

In the last three years we have put concrete porches and five new rooms on the Boys' Home and now we have arrangements made to sleep nine more boys than we have. The girls' departments are crowded but we hope to increase the number of our orphans this year. I want to take this opportunity to thank the Church at large and our friends for the way you have stood by this orphanage work since I have been connected with it, and before too. It certainly is commendable. May God's richest blessings be upon every one. We purchased the Boys' Home three years ago for \$8000.00. Since that time we have paid \$5500.00 in cash on it. We now have a note of \$2500.00 on it that we hope to be able to pay this year.

The matrons and manager of the farm and homes are to be commended for their economy and the careful training of the children. I do not believe, we could find better help anywhere. L. C. Chambers and wife have charge of the farm and the boys' department. In the past seven years I have been a close observer of this part of the orphanage work. It is almost impossible to train up a bunch of boys without correction and you are forced to whip them occasionally. Some of them do not need correcting but others do and if you fail to correct those who need it, as the wise man has said, they will be reared to curse you.

I have been told by some local people that the management of the farm was criticized by at least one party who went there. I would like to say for the information of the people that the greatest of care is being exercised to use economy in all of the homes and especially the farm. We have only a small acreage of timber and this has been cut over for years. We try to use enough wood for kindling and for such purposes as we are obliged to have wood. We are doing this in order to preserve the timber for such purposes as we have to use wood. We also produced from the herd of milk cows all the milk and butter that all the homes needed. We have over two hundred fowls—chickens, ducks, turkeys and geese—on the farm, three good mules, fourteen nice Jersey heifers, one male entitled to registering, and five hogs. We sold a hundred and fifty odd dollars' worth of pigs in September and we have for killing enough hogs to make a thousand pounds of cured meat. We produced last year over seven hundred bushels of corn and possibly we will get the same amount this year. We also gathered between fifty and a hundred loads of hay, plenty of hay to feed all the corn stock. From the farm all the corn bread that the children can use is

## Editorials

A handful of good living is worth a bushel of high learning.

Whatsoever a man soweth that shall he also reap. No blight nor mildew, neither frost nor flood, no scorching sun nor deadly drouth, can turn this harvest into failure.

Keep a good healthy blaze of glory flaming up in your soul. Feed it on prayer and praise, for the winds that would blow a small flickering fire out would cause a large fire to wax larger.

The grower does not try to bring his apples to maturity by accusing and abusing them, neither does he try to ripen his oranges by throwing stones at them. Oh that we would be as patient with each other!

The eight-thirty prayer in the upper room of the Publishing House is proving a great blessing to us. The earnest fervent appeals of those who gather there each morning stir our hearts, inspire our faith, and increase our courage to press the battle against Satan, sin and disease. You who send in requests, please JOIN US IN PRAYER each morning.

We should thank our Father that there is a way into His presence. We should thank Him that we have to climb no ladder let down from heaven, that we ascend no winding stairs and no wearisome step to the light of His glorious presence, for the way is so very plain and near that even the child may find and move therein for it was opened by Jesus, consecrated and KEPT OPEN by His blood. Heb. 10:20. The Holy Ghost guides us, Eph. 2:18, into His presence. We say, Our Father, we come washed in the blood and led of the Spirit, then all heaven is open unto us.

In His presence is fullness of joy, at His right hand are pleasures evermore; in Him we live, move, and have our being. Oh come let us magnify the Lord together.

## A Wonderful Revival

ROANOKE, Va.—I praise God because I have the victory right now. I praise Him for ever reaching down and lifting me out of the miry clay and saving, sanctifying, and baptizing me with the precious Holy Ghost and putting a deep determination in my heart to go all the way with the Lord. I didn't start this way to turn back but I have started to do what the Lord would have me do.

I thank Him for the wonderful revival we have had here at Norwich, Va. The devil tried to bind at the beginning but we kept praying and held on to the Lord until we got victory over the devil. At the close of the meeting two were saved, one sanctified, one baptized with the Holy Ghost, one also was sanctified and received the Holy Ghost at home, and two were added to the church. The meeting was conducted by C. W. Collins and R. C. Cook.

I have been in the way four months. I need everyone's prayers that I will ever stand true and be a soul winner for Jesus—Your sister, in Christ, Susie St. Clair, Rt. 7, Box 300, 2228 Patterson Ave.

## Looking at and Looking Through

The successful preacher must be a seer and a sayer. The power and permanency of his words depends largely on the scope and accuracy of his seeing on the one hand and the sincerity sympathy, clearness and truthfulness of his saying on the other. The minister with much say and little see, is like a speeding auto with no headlights, going but no one can tell where to nor how far. (Danger, keep off.) Therefore say what you see and see what you say. If you have vision and are unable to intelligently explain your views, start right in to cultivate the art of speaking. If you are gifted in speaking and your vision is dull, turn your attention to your thoughts, force your mind to lay hold of some perplexing problem, do not allow it to wander until the problem is solved, be sure that you not only see it but SEE THROUGH IT, then say, and what you have to say will have power.

When a man looks at his telescope he sees nothing but the telescope, but when he looks through it he sees the world beyond. So with the Bible, the minister who looks at it sees only commands, warnings, promises, statements, prophecies and etc. But when he looks thru it he sees not only the written Word, but character, nature, will, purpose, and plan of Him who gave the Word. He sees His wisdom His mercy, His grace, His love, His justice. He sees man, his fall, the way of his redemption, his duty and destiny. He sees sin and its remedy; he sees life and he sees death. He sees the sorrow and hears the sobs of the multiplied millions of earth's inhabitants who'll soon be in heaven or hell. He sees Christ as a mediator traveling through the earth, suffering and serving. He sees Him crucified, buried, resurrected and ascended to the right hand of the Father. He sees Him preparing to return. He sees the Holy Ghost moving among and working with souls, warning them, preparing all who will let Him for the rapture. Oh let's cut it short and ask all not to only look at their Bibles, but look through them. By this time, I am sure that you have something interesting to say. Let me admonish you to sharpen your vision and train your sayer for the successful preacher must be a SEER and a SAYER. — R. P. J.

## Great Love and Unity

COLUMBUS, Ohio—I am so glad today finds me rejoicing in the Lord. I am saved, sanctified, and filled with the blessed Holy Ghost with the Bible evidence of speaking in other tongues as the Spirit gives utterance. I praise Him for the dear Church of God and that He led me in this way. I thank Him for church government that brings us together as one and makes us walk upright.

I praise Him for the little church in Columbus, Ohio and for our pastor, Brother Rollins, who is not afraid to preach the whole Bible and feed our souls and other hungry souls. We have great unity and love in our little church. The Lord comes with great power and blesses wonderfully. The church is getting ready for the coming of Jesus. We can see our little church progressing and souls going thru with Jesus.

The devil tries to afflict my body so much to hinder me from working for my Lord. When I get victory over one thing it seems like the devil afflicts me with something else. I know my blessed Lord has healed me so many times and He is able to heal completely. Please pray that God will completely heal me so I can do more for Him who has done so much for me. Also pray for my unsaved husband and son and three daughters. — Mrs. Ethel Howard, 52 Reed Ave.

## God Was Glorified

ACWORTH, Ga.—I thank God this morning for victory in my soul. I am so glad I learned about the precious sweet way of holiness and am glad I found it to be the way of the Lord. I am glad because I learned about the great Church of God and the plan of salvation. I surely love the Church of God. I feel more determined than ever before to go thru and hold up Jesus and the Church of God. I find in Jesus everything I need. I trust the Lord for both soul and body. I have trusted the Lord to death's door. Just as I thought I would cross over the Lord wonderfully healed me. I feel the fire burning in my soul.

Sister Daisy Fowler has just closed a three weeks' meeting here. She gave out the Word with power until every message seemed to be soul stirring. She held up the greatest light that has ever been lifted in this place. At times it looked like heaven and earth had come together. The glory of God was so great with conviction until the whole town was made to tremble and fear. She found favor with everyone. There wasn't a one in Acworth who would speak against the way she gave out the Word and she never compromised but held always to the gospel truth. We, the Church of God at this place, surely love and appreciate Sister Fowler. We find her to be true blue Church of God, never retreating when the battle gets hard but is ready to press forward looking for victory ahead. Eternity alone will tell the good that was done. I have seen between thirty-five and forty in the altar at one service, all ages, young

We at Graves Chapel would like for all members to be present the third Sunday in November, 1931 as this is the time to elect a pastor and clerk or elect new ones. Come on, saints, let's do our best in this trying time. Pray much for the Church of God at Graves Chapel and Memphis District.—G. W. Ragin, clerk, Rt. 1, % Charlie Bell, Newbern, Tenn.

WANTED: Ten Church of God families to come to Tucson, Ariz. Must be foursquare for the Church of God and lift a high standard for righteousness. For particulars send stamped envelope.—Anna Boyer, Rt. 3, Box 192 B, Tucson, Ariz.

### REQUESTS

I praise my dear Lord for saving me from sin, sanctifying me and baptizing me with the sweet Holy Ghost.

I also followed Christ in water baptism and I am a member of the dear Church of God. There is no Church of God where I live and no members. I just read my Bible and the Evangel, pray and get happy all by myself.

My little boy four years old was sick last week. We prayed for him and the Lord healed him. My little eight year old girl came home from school yesterday. She said she had a chill. He healed my children of chills last spring and I know He can heal them now. I want all who read this to pray for her and for my unsaved husband. Pray for me that I will stand true to Jesus until He comes or calls.—A sister in Christ, Mrs. Dean McCall, Little Rock, Ark.

Dear saints, everywhere I ask everyone to pray for God to heal me. I have been real sick. I am better now but not well at all. I know God can heal me if it is His will. I also praise God this morning for my husband getting a job as he had been out of work for over three months. I know God answered prayers. Please pray that the Lord will heal me and that me and my family will do His will.—A sister in Christ, Mrs. Talmage Parsons, Tye River, Va.

I request the prayers of God's people for a deeper consecration of the parents and the healing of a four year old child's eye. Last year a cataract formed over one eye causing total blindness in the one eye. The parents knew of some of God's healing power. We prayed for the child. The child's mother says she wants God to do the work and she believes He will if we can trust Him. Pray that God will have His way in the home.—A sister in the Lord and His service, Florence Mayfield, Jasonville, Ind., Rt. 1, Box 252.

Pray for my little sister to be healed. She had erysipelas in one leg and a place lanced on her foot. Please pray for God to undertake and heal. She has no mother to pray for her.—A sister in the Church of God, Douglasville, Ga.

Please pray a special pray for the Lord to heal Sister Bertha Rogers. She has been afflicted for some time with head trouble. She wants to trust the Lord but her parents have called for a doctor. She is a member of the Walhalla No. 2 church. Pray that she may be healed and stand true.—Her friends, Misses Inez Addis, Walhalla, S. C., Rt. 3, Rosie Smith, West Union, S. C., Rt. 1.

## People Stirred In Maine Revival

"If God be for us who can be against us?" Truly it seemed that the devil tried his best to hinder the revival which began at Belfast, Me. in August and continued for five weeks. It closed Sept. 13. In spite of the enemy and all opposition our Savior who has never lost a battle blessed our efforts. During the meeting eight were saved, two sanctified and five received the baptism of the Holy Ghost. One Methodist woman was gloriously saved. She immediately arose and with a shining face said she had been a member of that church for years but had never felt in her soul as she did then. She was later sanctified and received the Holy Ghost. During the altar service the people would look on with amazement as if to say, "What meaneth this?" Many of them were asking questions most of which I am sure were answered in the many stirring messages.

The large hall was filled most every service and sometimes people were standing in two adjoining rooms. Two or three times the devil was so mad the lights were put out, but this soon stopped. Many of the business people attended and the lawyer said he was in favor of us. One man said if we kept on getting the crowd he would have to close the theatre. The Baptist minister said if he had twelve like us he could sweep Belfast. He also said if he could have the crowd we did he would be satisfied.

Sister N. Ruth Bowles began the meeting assisted by Sisters Goldie (Banks) Howell, coworker and the writer as musician. Sister Bowles' messages were indeed stirring and caused many to seek God. Many expressions were heard of how the messages, music and singing were enjoyed. Sister Goldie was faithful as an altar worker and also in the singing. We had quite a pull for awhile playing

and old. Twenty-five were saved, five sanctified, sixteen filled with the Holy Ghost and fire. Brother Setser came down and did the baptizing. Five were baptized in water, leaping, talking in tongues. Surely God was glorified. The saints were made stronger and drawn closer together.

Any place that needs a good evangelist to run a revival will do well to get Sister Fowler. I'm sure she will find the doors open to her with a very hearty welcome in Acworth. We will gladly receive her back here any time she feels led to come.—Humbly, a sister in Jesus, Mamie Lee Anderson.

and leading the singing also, but the Lord was good and sent helpers in all along. Brother Potat and a band of workers stopped over for two services and gave us a lift which was greatly appreciated. There were plenty of workers and musicians in this bunch. They were going to Northern Maine for a revival.

Then on the fifth week we were fortunate enough to have Brother E. L. Marshall of Haverhill, Mass. bring the messages. He was at one time a Methodist minister, later a Nazarene minister and now is preaching the old time gospel. He being a Nazarene minister for twenty-one years was indeed able to thoroughly explain sanctification which is new to most of the Maine people. These people just flocked to the altar saying they had never heard it this way before. He has only had the Holy Ghost one year but God is wonderfully blessing his labors. I am sure these straight gospel messages have meant much to Belfast and to many Pentecostal people. Sister Brown preached a wonderful sermon Saturday evening on "What Meaneth This?" and surely the message suited the occasion as they seemed so amazed when the showers of blessings fell on us and we rejoiced and praised God. Brother and Sister A. L. Smith and Marie were with us last Sunday evening and Sister Smith delivered a stirring message on "Signs of Jesus' Coming."

It is surprising the many different Pentecostal branches one finds in Maine, but I believe God is bringing us closer together and prejudice is disappearing to a great extent. Oh, the cry now is unity and more love for each other! May the time soon come when we'll see eye to eye and worship together and at least preach the full gospel.

People came from Thomaston, Rockland, Oakland, Bangor and other places. Some came twenty-one miles most every evening. One family walked five miles several times. They surely believe in going to church here. How faithful some of these dear people were to attend. And we shall never forget their kind deeds. Just about the time we would run out of some certain foods along some one would come with just what we needed. As to finance, most of it was taken for hall and apartment rent as no members lived close for us to stay with, but we were surely supplied with good eats. It is wonderful how Jesus supplies when we live by faith. Praise His name!

On account of objections of city officials (Catholic) we were unable to rent the hall longer. How it grieved our hearts to close the meeting with so many intelligent people attending and many under conviction. Many of

## WE GO TO JESUS FOR HELP

BRINDLEY'S CHAPEL, Tenn.—I'm glad I can still report victory over the devil and that the Holy Ghost abides.

We have had a revival conducted by Brother L. L. Turner. He gave out the Word in a wonderful way. Two were saved, three sanctified and four received the blessed Holy Ghost. Two were baptized and two came into the church. We are looking forward to having a strong church here some day.

Brother Richard, our pastor and district overseer and wife were here one night during the revival. Brother Hastings and wife were here for a few services. Brother White furnished the music for us. We certainly do appreciate these good people coming to help us and hope they can be with us in another revival some time.

All who read this pray for this place as the enemy is strong and is seeking whom he may devour. Sometimes it seems like we can't stand many more persecutions but then the scripture tells us about the Friend that sticketh closer than a brother and we go to Him for help.

Pray for Brother Gentry's baby as it is badly afflicted.—A sister under the blood, Mrs. Florence Carter, clerk, Rt. 2, Cookeville, Tenn.

## POWER OF GOD DEMONSTRATED

LAKELAND, Fla. — We are praising God for the wonderful two weeks revival just closed here. The messages brought by Brother J. B. Ellis of Wimauma certainly were food to the souls of the saints and brought conviction upon the hearts of sinners. We did not have a dull night. The mighty power of God was demonstrated in every service. The saints were faithful at the altar. Five received the Holy Ghost and several were saved and sanctified. We certainly appreciate the Word as given out by Brother Ellis. The lessons in Revelation will now soon be forgotten. The meeting closed with the altar full of seekers.—Oscar Byrd, Clerk.

The dear people insist that we get a permanent place of worship here. We tried to find a hall but so far have been refused three places. The city marshal objected once saying we are too noisy. He said he was in the theatre and could neither see nor hear for the noise. We are praying that a work will soon be established here in spite of the enemy. Help us pray. We shall always praise God for the many souls He blessed and because many saw the light on the full gospel. We feel that we have delivered our souls and leave the results in His hands who doeth all things well.—Yours in His vineyard, Vivian Haworth, 82 Union St., Portland, Me.

## More to Gather In

OAK GROVE — We started another revival at Oak Grove in the same bush arbor of last fall. Sister Dame preached four nights then. Brother Austin from Christopher took charge and they surely did some wonderful preaching. Some were saved, some sanctified and some reclaimed. Sister Bertha White was at the organ with others assisting. Sister Day of Eldorado was there with her saxophone. We had a wonderful time. Brother Gowers preached one Sunday on "The Church." God alone knows of the good that was done. The meeting closed last night. They will have a meeting next Sunday evening to decide as to where the tabernacle will be put. We have been offered two or three pieces of ground so we don't as yet know whether the church will be built in Hamilton or Seline.

Someone said that one Sunday night a thousand or more were there. Brother and Sister Gowers and Brother and Sister Austin stayed out there during the meeting. They surely were treated nice. This is the place I wrote awhile back about the reaping time coming. Well we reaped this time. More are to gather in later on. Some want a church so they can join. I don't think it will be long. Pray for us all—Sister Lizzie Britton, West Frankfort, Ill.

## Church at Athens, Ala. Needs Your Prayers

ATHENS, Ala. — Since I am here at Athens to take care of the work I thought it good to write to the Evangel and get the dear ones everywhere to pray for us as we need help from God. We have no church here. We have about five members that have their membership elsewhere. When I came here last week I found that they had been working earnestly to get a church here where they could have a place to worship. They were having prayer meetings twice and three times a week. I believe they are true blue for the Church of God. Besides these the Lord saved one last night. Many others are looking this way. Yet I must say that we have lots of opposition to fight. We believe God will bring us out all right tho' since we are trusting the God that Daniel served. I especially request your prayers. I am only nineteen years old. I have never pastored a church before but since I am serving the God that David served I am going to do my best to stay the lion that scatters the flock.

Please pray a special prayer for me and the flock. Also if you feel like the Lord would have you send us some good tracts they would be appreciated very much. All letters of information or encouragement are welcomed.—A brother in Christ, Riley Clements, Rt. 5, Athens, Ala.

## Sweet Fellowship Together

A revival held at Center schoolhouse, W. Va. five miles west of W. Alexander, Pa. conducted by I. R. Thomas and the writer, pastor of the Church of God at Claysville, Pa., closed Friday night, Sept. 18. Thirteen were saved, ten sanctified, four received the baptism of the Holy Ghost according to Acts 2:4. We are still holding one service each week on Sunday afternoon. God is working and I believe in the future a Church of God will be established. We gave them the old time gospel and God sent down old time conviction and they prayed thru in the old time way. There was lots of shouting and dancing in the spirit. The power came down in a wonderful way. The old schoolhouse was filled to full capacity and many were on the outside. Other saints came in from Wheeling and Valley Grove, W. Va. and from various places. We had sweet fellowship together. God is blessing and feeding our souls. All who read this pray that the dear Lord will have His way in my life.—J. L. Nuzum.

### 3. HER PLEA SHE APPEALS TO OUR LORD'S GENEROSITY

It is told in the life of a great criminal, who tho' often apprehended and tried was never convicted, that he made a rule of never answering any questions and thereby as many have done committing himself. While others less cautious paid the penalty of the law, he thus escaped the gallows and died in bed. One would think that sinners expect by not admitting their guilt to elude also the justice and judgment of God. They do not admit they are sinners, or if sinners, they do not admit they are very great sinners. On the contrary, like the Pharisee of old they thank God they are not as others are—not they! Guilt meets no pity at their hands; to save it they would not touch it.

(It is monstrous to be told, wrote a lady of this school to the Countess of Huntingdon, when finding fault with George Whitefield's style of preaching.) It is monstrous to be told that you have a heart as sinful as the common wretches that crawl on the earth, and I cannot but wonder that your ladyship should relish any sentiment so much at variance with high rank and good breeding. Their doctrines are most repulsive and strongly tinged with disrespect toward their superiors in perpetually endeavoring to level all ranks and do away with all distinctions. What darkness! Miserable, fatal ignorance! Who would not rather have their soul bound up in the same bundle with the poorest Magdalene, who stands weeping, trembling, timidly knocking at the gate of heaven, than with this haughty dame who, pushing the poor penitent aside, ruffles up to it as if obsequious porters would throw it open at her appearance?

How different the spirit of the Canaanite! This woman in that word, truth, as Mary did by the tears that washed the dust from Jesus' feet, put in a plea of guilty, unclean, unworthy. Catching at the word and figure which our Lord uses and casting herself on His generosity she says, Yet surely you will treat me as kindly as a man treats his dog. Blessed humility! Happy thought! Touching, irresistible appeal!

Now her plea is as good as ever. We have no other and, thank God, we need no other. By the voice of our conscience or of His Word does God say, You have been a sinner. We reply, Truth, Lord. There is no commandment of mine you have not broken nor mercy of mine you have not abused. Truth, Lord. You have crucified my Son. Truth, Lord. You have grieved my Spirit. Truth, Lord. You deserve to be cast into hell. Truth, Lord. Into the deepest, hottest hell. Truth, Lord. It is all true, but God of mercy so is this, that thou never saidst to any of the sons of men, Seek ye my face in vain, that thou art not willing that any man should perish, that thou hast no pleasure in the death of the wicked; that thou didst send thy Son to seek and save the lost, that the blood of Jesus Christ cleanse from all sin. The woman was successful, why should not we be? We will hope in Thy mercy for it is not written, The Lord taketh pleasure in them that fear him, in those that hope in His mercy?

Is the woman's plea as good as ever? It is better than ever. We can go with more freeness and boldness than she to the throne of grace. Dog, that harsh sounding word, is blotted from the Bible. Since Jesus died the difference between Jew and Gentile abolished. His lips never said, Dog. Sent to save in His own day only the lost sheep of the house of Israel, with Jews for the object of His mercy and the Holy Land for the orbit of His mission, here our Lord in a sense exceeded His commission. To save this poor struggling, sinking creature, He overleaped the barriers of ancient covenants and taking time by the forelock anticipated the hour when there should be neither Jew nor Greek nor bond nor free.

How great the Canaanite's happiness had been in reply to disciples who said, Send her away, He had answered, No, I will not send her away, Why should I? It is to her and to such as

furnished. This farm is one of the best paying propositions that the orphanage department has had.

Some one asked if the farm would not produce enough to feed all of the children. It would be an impossibility, with the production of land in this country, to feed the sixty odd children from this farm of one hundred and nineteen acres and only eighty acres of this in cultivation and this includes the pasture lands. I have studied farming for years and in my judgment this farm is being very skillfully managed and I do not see how we could improve or apply the products of the farm to any better use than we are now applying them. We also produced this year one hundred and fifty gallons of syrup, plenty for all of the homes.

I am giving this information for the benefit of those who did not attend the Assembly and some who may never have the opportunity. I have been thinking of having some pictures taken of the herd of cattle, the house and the barn and putting them on sale to raise the money to pay the balance due on the farm. If it is interesting to any of our people, write me a line. If I hear from enough of you, I will go into this and have these cards ready for sale soon.—S. W. Latimer, Chairman of Orphanage Committee.

## People Amazed At Hattiesburg Revival

HATTIESBURG, Miss.—We have just closed a three weeks meeting at the Church of God in Hattiesburg. Brother Earl Brewer, pastor of the church conducted the meeting assisted by his wife. The Lord did wonderfully bless in many ways. Fifteen were saved, four sanctified and fifteen filled with the Holy Ghost. It was a wonder to lots of people to see how God did manifest His great power.

I will now mention some wonderful healing from God wrought through Brother Brewer while the meeting was in progress. A man that had had Jake paralysis for eighteen months was instantly made whole in Jesus' name. The people were amazed as he walked about and praised the Lord for healing and completely restoring his limbs and body.

One night at closing of service Brother Brewer was requested to go to a house and pray for a baby eighteen months old that was dying. Several of us saints of God went with Brother and Sister Brewer. There we beheld a pitiful sight. The Bible was laid up on the child while the prayer of faith was sent up from the adjoining room and now the child can be seen at all the services.

A few days later an old lady who had been afflicted with paralysis for a period of six years was carried to Brother Brewer's house. She had not had her arms above her head these many years. Neither had she walked without someone helping her. God instantly healed her. She walked up and down the room praising God and went away shouting, wonderfully healed. I will forever thank God for sending a man like Brother Brewer to Hattiesburg. When people say the Lord doesn't heal any more I just tell them they have come too late for me to believe it.

I know the Lord confirms the word with signs following. I am so glad that I believe in Divine Healing. God is my family physician. He was called to my house this morning for the healing of my little boy, five years old. He had a high fever and enlarged glands of the throat. The child was wonderfully healed. Pray for the Church of God in Hattiesburg.—E. W. Breland, clerk, 505 Hall Ave.

## The Lord Blessing In a Wonderful Way

CLAYTON, Ga. Our tent meeting has run for two weeks. Nine have been saved and one sanctified. The altar is filled with seekers. We want everybody who reads this to pray that the dear Lord will give us many souls at this place. We have a large attendance. The tent won't begin to hold the people. The Lord has been blessing in a wonderful way.—Your humble servant, J. M. Oneal.

her that I am sent. At such words how had the blood rushed to her palid cheeks, how had her heart palpitated with joy. Throwing herself at Jesus' feet, she clasped and kissed them, not confident of getting all she asked. How had she mingled praises with her prayers.

But what in that case had been her position is ours now. We have not to pursue a departing Savior, nor has our distress to address itself to an ear that seems deaf to pity. Jesus is passing, but not silent, reserved, and wrapped in thoughts of other objects than us. No, He stops. He looks kindly on us. He pities us. He loves us, and opening His arms, He invites us to His bosom. Throned on the mercy seat with all power given Him in earth and heaven, see how He stretches out the golden sceptre saying to every suppliant, What is thy request and what is thy petition and it shall be granted thee.

## No Time For Sadness

—B. T. S.—

I praise the Lord for this great privilege of writing to the Evangel readers. I praise Him for making a way so I could start to school. I know it was Him and Him alone that opened the way and I believe that He will make it possible for me to stay here. I tho't I would tell you all how the dear Lord comes in our school room and blesses us. He fills the room with His presence. Paul said they were made to sit together in heavenly places in Christ Jesus. I think we students can say we sit together in heavenly places too because a place that the presence of the Lord fills must be a heavenly place and that place is the Church of God B. T. S. We have everything to praise the Lord for and have no time for sadness.

If you want to do right and feel the presence of the Lord come to the Church of God B. T. S.—Your brother in Christ, L. T. Waters, Jacksonville Fla.

## A Foretaste of Heaven

—B. T. S.—

I want to thank God for this grand opportunity of being in Bible School this term. The Lord surely is blessing us in our endeavor to obtain more efficiency in rightly dividing the Word of God.

This school, to me, is just a foretaste of heaven. It surely does my soul good to be among Christian young men and women and hear them shouting and praising God in all the beauty of holiness. I appreciate this school and its close connections with God more than any other school to which I was ever connected. We surely do have the presence of God in our midst. God blesses

## Sinners Trembled

MAGEE, Miss.—I praise God today for bringing me out of darkness into this marvelous light. I was never taught anything but Baptist. Almost twelve years ago I stepped out with an eternal yes to God. I had an opportunity to go to a pentecostal revival. One of these people came to me and asked me to go to the altar. I made my way to the altar and God rolled the burden of sin away. I began to sing "Where He Leads Me I Will Follow" from the depths of my heart. Oh the peace and joy that flooded my soul!

When He saved me the love for the things of this world went out of my heart. I thank God for this wonderful gospel. I wouldn't exchange the hope that is in my heart for the wealth of this world at my feet. Today finds me saved, sanctified, and filled with the Holy Ghost.

We have been attending a good meeting at Hermantown, Miss. It began Sept 5 and continued eight days. It was good all the way thru. The spirit of unity prevailed from beginning to end and the Lord came down to us in showers. The Lord was so near and gave the ministers boldness to preach the truth in its fullness backed up with the Spirit and power of God. A few got saved, five were baptized unto repentance, some were sanctified and some came up for healing. It was a meeting that will be long remembered. Heaven seemed to come down to us and shouts and praises were heard. Sinners got under conviction. Many came to the altar. "Therefore the ungodly shall not stand in the judgment, nor sinners in the congregation of the righteous." Psa. 1:5. Sinners trembled before the Lord. Many of them either came to the altar or left the house. If this is just a taste of heaven I know heaven must be glorious. Let us keep our affections on things above where Christ sitteth at the right hand of God.—With much Christian love to all, yours in Christ, Mrs. Eunice (Buffington) Todd, Rt. 1.

## Gastonia District Convention

This convention convened at Belmont, N. C. Sept. 12 and 13. This was the greatest district convention that I have ever attended. The dear Lord met with us at the very first. Heaven and earth seemed to come together. The program was a success. Every church in the district was represented by its pastor. The old time power fell and such rejoicing as there was. Bro. Stephens, our state overseer was there with his smiles. One of his subjects was "Greetings." People rejoiced and praised God. I tell you this was a high day in the Church of God for this district. Ezek. 34:26 "I will make them and the places around about my hill a blessing; and I will cause the shower to come down in His season; there shall be showers of blessings. Time and space would fail me to tell how God blessed in this convention.—W. M. Stallings, District pastor.

## Lord Still Blessing At Ludville

LUDVILLE, Ga.—Dear saints of God everywhere, God bless each and every one. The Lord is still blessing here at Ludville. Our pastor, Brother Burk was with us a few services last week. He gave out some soul stirring messages and especially one on "Watch and Pray." He surely did feed the flock. While here we held a business meeting. The church is in good condition. Up until then sixteen came into the church, sixteen were baptized in water. The Lord surely did bless at the water. The power fell and the saints danced and talked in tongues. Brother Burk surely did preach a wonderful sermon. Every thing went on nicely.

I want the saints everywhere to pray for the church here at Ludville that we may ever be found faithful and do our duty at all times.—Yours in His services, Mrs. J. D. Hudson, clerk.

## S. Georgia State Camp Meeting

The South Georgia camp meeting convened at Waycross, in the large tabernacle Sept. 3-13. Brother Earl Paulk was in charge.

This camp meeting has come and gone but it was the sentiment of all present that this was the best camp-meeting South Georgia has ever witnessed. The only inconvenience we had was the large tabernacle wasn't large enough to seat the large crowd of people.

On Thursday evening the delegates and ministers from far and near began to assemble at the tabernacle for the great camp meeting. Brother Paulk was there on the job. The song service began at 7:45 p. m. At 8:30 Brother Paulk delivered a wonderful message on "The First and Second Coming of Christ." This was a wonderful subject and was enjoyed by all.

Friday night the service began at the usual hour. At 8:30 Brother Paulk brought the message, his subject being "The Time of the End." We could see we were almost at the end as this wonderful message went forth. He gave plenty of Bible with the subject which made it plain to all. Several were in the altar seeking for the blessings.

Saturday morning the service began at 10:30 with a large crowd and visiting ministers were still coming. The service opened with prayer and song service. The writer was the speaker for this hour. The subject was "Advancement and Steadfastness." The night service began at 7:30 with a large crowd. The Hancock family rendered some excellent music with their band. The message for the evening was "Last Days" delivered by Brother Paulk. Several were at the altar and some received the Holy Ghost.

On Sunday morning Brother Paulk preached a good sermon on tithes and offerings. At 3:00 o'clock the pastor, Brother E. B. Culpepper, preached a sermon on "Overcomers." God's glory was felt in our midst as on the day of Pentecost. We could say like Peter "It was good to be there." Brother Paulk's sermon at the night service was "Hell and Its Contents." He gave almost if not all the scriptures on hell. There was a good altar service. Some received the Holy Ghost.

The speaker for the morning service on Monday morning was Brother Coggins. His subject was "Faith by far and by His mighty help we mean to go all the way. We have preaching here every fourth Saturday night, Sunday and Sunday night and prayer meeting every Wednesday night and Sunday night except on the fourth. We love our pastor, Brother C. C. Johnson. We feel that he is a real child of God.

We thank God for sending Brother J. B. Weeks here this summer. He ran about a three weeks' revival. Only three got saved and one received the Holy Ghost. The saints were surely encouraged to go on. We love Brother Weeks and family. We pray that the Lord will send him here again.

I was real sick awhile back. I promised the Lord if He would heal me I would testify of it. I want everybody who reads this to please pray for me and pray for my husband to receive the Holy Ghost. Pray for our little church to rise and shine for God. Pray for me.—Your humble sister in Christ, Ollie Mae Johns.

## Good Revival Just Closed

CEDARTOWN, Ga.—We have just closed a good revival at Carrollton, Ga. Brother J. R. Abbott and band, Brother Lenon Easters, and the writer were the evangelistic band. The services were conducted by the writer from Florida. Brother Easters and the writer did the preaching and music was made by Brother J. R. Abbott and family. Sixteen were saved, thirteen filled with the Holy Ghost and a church was set in order by Brother Lenon Easters with ten members. There were good crowds and good interest was shown all the way thru. Many more are looking this way. Pray for the work at Carrollton.—Your brother in Christ, B. G. Pomroy.

## Revival At Lenoir

The Lord met with us in a wonderful way. A number were converted, sanctified and three received the Holy Ghost. Ten followed the Lord in water baptism and five came into the church. The pastor, Brother J. A. McCarn welcomes you to their church. They covet your prayers that this church may grow and prosper.—Dist. pastor, W. M. Stallings.

Hearing." Three received the Holy Ghost at this service. Several received the Holy Ghost at the next service also.

At 7:45 p. m. Tuesday Brother Paulk delivered another message which was enjoyed by all. The altar was full of seekers. Some received the blessing.

Wednesday at 10:30 a. m. we had another wonderful service. Brother Dennard made a short talk. At night service Brother Paulk was there with the goods. Brother Dennard and Sister Mitchell sang several special songs. The Hancock family rendered some good music too. Prayer was offered for the sick as usual at each service. The subject on which Brother Paulk talked this time was "Come For All Things Are Now Ready." A great altar call was made and sinners fell into the altar crying out to God. Among the ministers who came during the day were Brother R. P. Johnson and wife and Brother J. C. Padgett.

Thursday morning Brother Padgett preached a soul stirring message. This was enjoyed by all. At 3:00 p. m. we met for Bible study. Brother Culpepper was in charge. He had just arrived during the day and we were certainly glad to have our state overseer with us. The Bible study was fine. Our subject of study was "What is the Tree of Life," Rev. 22:2. At 7:00 p. m. song service was held. We had the Hancock band with us and some special songs by Brother Dennard and Sister Mitchell. Brother J. W. Culpepper, the state overseer gave a report of the state work in general which was good. Several hundred had received the Holy Ghost and added to the church since the Assembly. After this report Brother R. P. Johnson brought the message on "Finishing." This was followed by an altar call.

Friday morning the service opened in its usual way. The writer spoke on the subject "The Blood and Its Purpose." Brother Culpepper was in charge of the Bible study class again. We studied the topic "Where the Soul of Man Goes after Death," taking up the study from the day of Noah until the present time. Brother R. P. Johnson preached at the night service.

Brother Dennard preached at the service on Saturday morning. At night service Brother Paulk preached.

On Sunday morning Brother R. P. Johnson preached. At 3:30 p. m. the baptizing service was held. Fifteen were baptized. Brother Culpepper did the baptizing. At 7:00 p. m. the time arrived for the final service. The crowd had gathered until the large tabernacle was overflowed with people. The song service was good, also the music by the band, and the special songs. Brother Paulk's final message was "The Handwriting on The Wall." This was a wonderful message. This closed the camp meeting with about twenty-five filled with the Holy Ghost, fifteen added to the church, fifteen baptized in water and the Lord knows how many were saved and sanctified. Only the judgment will tell of all the good done in this camp meeting.

Plans are being made to build a larger tabernacle for the next meeting. They want Brother Paulk to be in charge.—Clyde C. Cox, Bristol, Ga.

## Glorious To See People Line Up With Church

CLYDE, N. C.—This morning finds me saved, sanctified, and filled with the precious Holy Ghost, also a member of the dear old Church of God. Surely you want to hear from Clyde Church of God as she is progressing rapidly and the power and presence of God has the enemy withstood. The Lord is with us in every service. Often the sermon is delivered by the Holy Ghost. Folks are getting the Holy Ghost all along. The enemy had better stay away from here if he does not want to get revealed. Last night we observed the Lord's supper and feet washing. The Lord blessed in a wonderful way. As I sat and looked on the precious young people I had to thank and praise God for them. I thought it a wonderful sight to see them take the Lord's supper. In a short while we have gained thirty-one members and others to come in.

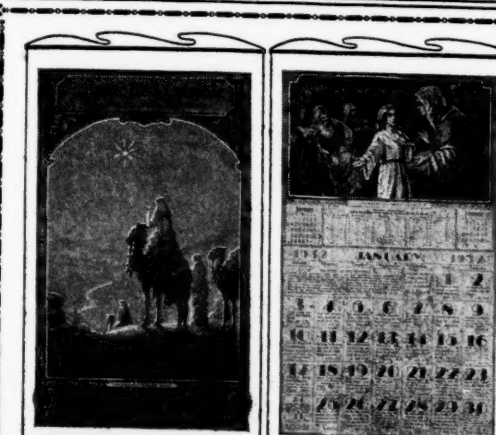

We surely appreciate our pastor and wife and every member of the church here, but most of all we appreciate the power and presence of God. What a glorious sight to see people line up with the Church of God! You should see the young people here go to the front and pay their tithes. We are so grateful for them. You will have to come over and see.

Remember the church here in prayer, and especially my husband who is sick at this time. We have trusted the Lord for our healing for the past fifteen years and He has proved to be the great Physician.—Humbly, Mrs. E. C. Bradburn.

## Intends to Go all the Way

WINOKUR, Ga.—I am praising the dear Lord this morning for full and free salvation. I am so glad because I am saved, sanctified, and filled with the Holy Ghost and I am a member of the great Church of God. I thank the Lord for sending His Word thru here last year.

There are only a few members here and we have overcome the enemy so

## Tent Revival Closed With Great Interest

CEDAROWN, Ga. — We have just closed a great revival here. Brother Abbott and band with their tent came to this little place and began a battle against sin and Satan which continued for two weeks. It closed with good crowds and great interest.

The services were conducted by Bro. B. G. Pomroy from Florida. He was very humble and seems to be a Spirit-filled boy. He did some wonderful preaching and God used him in a great way. We enjoyed his sermons. The greatest of all was the way God used Brother Abbott's little eight year old girl in preaching. We enjoyed her sermons. How we wondered at the way she was used of God. We also were glad to have Brother R. W. Rush with us. He did some good preaching.

The Lord blessed from the beginning. The power fell in a great way. Several messages were given and interpreted by Brother Pomroy. Twenty were saved and sanctified, fourteen filled with the Holy Ghost, thirteen baptized in water, fourteen added to the Church of God at this place.

We hated to see the band leave. We recommend them to any field where the gospel is needed to be preached. Anyone needing a revival would do well to get them. They have a nice tent, a good string band, and good singers. We enjoyed them.

As I sit in the door and see the vacant spot where the tent stood my heart overflows with joy and my eyes fill with tears as I think of the band with such love. We just have to say it was the greatest revival Cedar town has had in a long time. The church and others were revived. We had the Lord's supper and feet washing last night. All had a good time and parted with love. May God bless them wherever they go is our prayer. — J. F. Brown, pastor.

## Wellston, O. Dist. Convention a Success

WELLSTON, O.—Our district convention convened at Wellston, Ohio from July 24 until July 26. As the good brothers and sisters began to come from all parts of the district to enjoy the feast of the convention the writer's heart was made sad in a way. Oh! how God did bless from the beginning. The songs did swell through the air with many praises and thanksgiving. Next came prayer and how our hearts and voices seemed to unite as that of one mighty man. If the enemy was there he never showed himself. Brother Dilighe gave us a welcome address. Then is when my heart melted for natural affection. One year today my father had been called to the great beyond and messages had been sent out for brother and sister to come home. Oh! how that did remind me of that sad evening. It seemed heaven had opened and the Lord seemed to talk to my heart in person. We were not called again today to view the face of a dead father but to enjoy the presence of a living God. Surely it did encourage my soul. Brother Rollins spoke on "Oneness." This sermon surely was enjoyed by all. Brother Haynes, our state overseer talked along the line of how much he could see the need of our people being one, laboring together and moving to the front.

The next day Brother Rollins spoke again. He talked on how our faults and other things would hinder the church. Then he brought in the things that were a blessing to the cause. At night service a message went forth which Sister Haynes interpreted. Brother Huff preached a sermon in which he showed us the good of moving forward and fighting a good fight of faith.

On Sunday morning Sunday School opened at its regular time. The writer spoke on the Sunday School. Roy Dugan preached a sermon on "Why I believe in the Church of God." Surely we all ought to know why anyone that wanted to be true to God would believe in the Church of God because it is His word. I fully believe in anything I find in His Word. Brother Haynes, our state overseer, preached on church government. How it does our hearts good to have some one to teach us the true way and to show us how we ought to be governed by the laws of God and subject to them that have rule over us. I want to do everything I find in His Word and what I can't find I am willing to be taught. We had dinner on the ground that day. At 2:00 p. m. we had service again. We had another sermon by F. W. Rollins on "Loyalty" which was fine.

The doors of our homes were thrown open and people invited to come and fill the vacant places, but there was one place which could not be filled for Brother and Sister R. E. Hamilton who was our pastor and district overseer for so long were not there. In everything that we did we missed Brother and Sister Hamilton. The Lord has blessed us but we ask and pray that He will send them back to the state of Ohio. Your sister in Christ, Ida Fout, 1315 S. Ohio Ave.

## Revival a Success At Stone Branch

Dear Evangel readers, I want to sound a note of praise this morning for my Savior. I thank God for the love that is shed abroad in my heart at this hour. I thank God for the lit-

## Divine Healing

### Obedied And Was Healed

RANGER, Texas. — I thank and praise God this evening for His love, mercy and tender care and for what He means to me. I truly thank Him for His wonderful healing power. Praise His dear name! One morning I awoke in such misery it seemed I could not bear it, but I got up and fixed breakfast for husband and the two boys. They left and I went back to bed and thought I would sleep it off. I got easy and went to sleep but woke up and the hurting had gone to my side. I started to eat a little and began to return thanks (as I usually do). The power of God came down. I began talking in tongues and He sweetly healed me. Thank God, I love Him more every day. It seemed that He sent these words, "Obey and I will heal." When I obeyed He did heal. I applied the dear little Evangel that I love so well to my side and I really felt the pain go out at my toes. I praise Him for sparing me and my family and for health and the many other blessings He bestows upon us from time to time. Please pray much for me as I need your prayers. — Your sister in Christ, Mattie Bellah, Rt. 3, Box 6.

### WELL TODAY

CARBON HILL, Ala. — I praise the Lord for what He is to me this evening. He is more than all to me. This evening still finds me saved, sanctified, and filled with the Holy Ghost with a determination to go on. I praise the Lord for His mighty healing power. About seven months ago I was on the bed of affliction. I knew without the Lord did something I couldn't live. My people thought I was going to die. My husband sent for the doctor to see what the trouble was. He said I had high blood pressure, leakage of the heart, and rheumatism. He didn't seem to think there was any cure for me. I told the doctor I didn't want any medicines I had been trusting the Lord for my body nearly twenty-one years. I haven't taken any medicine or rubbed anything on. The Lord has always been my healer and I knew He could heal me again. Where I live there are not any Church of God people. Some holiness people live here but they are not Church of God. They prayed for me and I would get better but would not get healed. After lying here on the bed for three weeks my husband carried me back to my daughter's near my home church. When I got there they sent for the saints from Bradford and Kimberly. They prayed for me and the Lord instantly healed me and raised me up. I am well today and able to do my work. He is a wonderful Saviour to trust, Mrs. Ella Suggs.

### MUCH BETTER

LAKE LAND, Fla. — I praise the Lord because He saved, sanctified, and filled me with the Holy Ghost. I can feel the joy bells ringing in my soul now. I praise the Lord for the way He touched my body. I have been very sick the last ten days but the dear saints at this place believe in holding on to God until heaven answers. I am lots better today. I want all who read this to pray that my everyday life will be my brightest testimony and when I get sick I can come boldly to the throne. — Sister Della Wilson.

### Only Trust and Believe Him

SWEET BRIAR, Va. I'm praising the dear Lord this morning for victory over sin and the devil. I praise Him for His great healing power for He can and will heal if we'll only trust and believe Him.

About three weeks ago I had a very bad carbuncle on my knee. I stayed in bed about a week. I couldn't walk a step and could only hop on one foot. We had the saints to come and pray for me and the next day I got up and helped do the housework. I'm giving God all the praise, honor, and glory. I ask the saints to still remember my little boy, who cannot talk and he has other afflictions, that he will be healed. Also pray for two of my boys who have kidney trouble. Pray for my husband and me to stay humble and true and rear our children in the way they should go. I want to do more for the Lord than I have ever done before and be ready when He comes or calls. Please pray for me and my family. — An humble Sister in Christ, Mrs. Laura M. Wheeler.

The church here at Stone Branch. There are just a few saints here but all are true blue. We have for our pastor, Brother S. B. McCane. He surely is a man of God. He preaches nothing but the Word of God. We began a revival here Aug. 24. It lasted until Sept. 13. Six followed the Lord in water baptism and two were added to the church. Sunday night service was closed with the Lord's Supper and feet washing. The Lord blessed and we had a wonderful time. I want every child of God to pray for me that I may be sanctified and filled with the precious Holy Ghost and stand true to God. — Your sister in Christ, Miss Ruth Davis, Big Creek, W. Va.

## Able to do Housework Now

EASLEY, S. C. — I praise the Lord for healing me. I sent a handkerchief to Brother Rouse asking him to pray for me to be healed so I could go to the convention at Greenville, S. C. Bless His good name, I got to go two days and am able to do my housework now, after being in much suffering all the summer. I do want to do my best for Him. He has been so good to us. Pray for us to get closer to God and that I may get the blessed Holy Ghost before it is too late. — Your sister in the Church of God, Addie Dickson, Rt. 4.

## Never Took a Dose of Medicine

THOMASVILLE, Ala. I praise the Lord for healing me. I had a severe pain in my side. We don't know what it is to call a doctor when we get sick as mother and daddy have always taught us God would heal us. I am a little girl nine years of age and have never had a dose of medicine. My daddy is pastor of the Church of God here. Pray for mama, daddy, my little sister and me. I am saved and want to be sanctified and filled with the Holy Ghost. — Your little sister in Christ, Rebecca Hamby, Box 234.

### Foot Healed

METZ, W. Va. — I thank the Lord for what He is to me. I praise Him for His healing power. My foot began to hurt me and in a half hour I couldn't put it to the floor. It pained me so bad until it made me sick. I just called on Jesus and placed the little paper on my foot and Jesus did the work. Oh, how I praise Him for it all. I am glad to know that Jesus is the same and has power to save and heal, bless His dear name.

Please pray for me to be humble and also do God's will. Pray for my children that they will find Jesus before it is too late. — Your sister in the great Church of God, Mrs. G. W. Helmkist, Box 33.

## Praise Him For Healing My Children

I praise the Lord for healing my children of chills and fever many times. I can never thank Him enough for it. I promised the Lord if He would heal my children of whooping cough I would testify of it in the Evangel. I kept putting it off until my baby got sick the other night. All I could think of was my vow to the Lord. We should never break a vow we make to God. I want everyone who knows the worth of prayer to pray for me to be healed. My health is very bad and I never feel good. Also pray that my husband will be healed of pyorrhea and bad health. Also pray for our little flock here at Wilcox and for us to stand true. Pray for the Lord to send us a good Holy Ghost revival that many souls will pray thru to God and be ready when Jesus comes or calls. We need your prayers. — Your humble sister in Christ Jesus, Mrs. C. S. Hodges.

## Feel More Like Trusting Him to the End

COEBURN, Va. — I thank God for His goodness and wonderful healing power. I have been trusting God for soul and body for the past ten years and don't feel the least bit tired of the way. I feel more like trusting Him to the end.

Along in the winter months I was suffering very much with rheumatism and tonsillitis. I told the Lord if He would heal me I would tell of His healing power but I failed to do it. God didn't forget it. Later I was taken sick again. I told the Lord the same thing I had before but I let the enemy of my soul cause me to keep putting it off. About a week ago I began to feel something taking hold of me that I couldn't throw off. I began to say, yes, Lord, I will do what I promised, but I had to pray for being so slothful. I had a bad case of tonsillitis. I was in bed three days. I cried and told the Lord I would renew my covenant and pay my vow. He touched my body and I began to get better. I am very weak yet but I don't want to put it off. I earnestly desire the prayers of all the Evangel readers for me to receive the Holy Ghost and be healed of a growth of some kind on my left limb. Pray for my husband to receive the Holy Ghost and for Brother Williamson who is very sick with T.B. at Glamorgan, Va. Pray especially for him. — An unworthy sister who needs the blessing, Mrs. H. W. Litton, Box 553.

### Appendicitis Healed

BALD KNOB, Ark. — I am praising the dear Lord for what He is to me. He has healed me of appendicitis and I am praising Him for it today. He saved, sanctified and filled me with the sweet Holy Ghost. Pray for this place that it will be a place of prayer. It is waking up again. It is time for us to wake up and pray more and be ready to go home with Him when He comes. Pray for me to be a soul winner for Jesus. — A sister in the blood, Zel da Lester, Rt. 1, Box 144.

## Healed of Carbuncle

HOPE MILLS, N. C. I thank the dear Lord for His healing power. He has healed me many times. He healed me of a carbuncle on my shoulder that was there for about four months. I did everything for it that anyone advised but nothing did any good. I went to the doctor but he didn't help me any. I then took the Church of God Evangel and placed it on my shoulder in the name of the Lord. He heard my plea and answered it.

I want all the saints to pray for me. I am saved and want to be sanctified and receive the Holy Ghost. I am a member of the Church of God and ask all the saints to remember me in their prayers that I may stay in the center of the Lord's will and be ready when He comes. — A sister in the Lord, Fannie Blackwell.

## He Has Healed Me

HOPE MILLS, N. C. — I just want to write a few lines today in praise to God for what He has done for me. I want to thank the dear Lord for healing my back. For about two days I was down with my back and I promised the Lord if He would heal me I would testify through the Evangel. I am thanking the Lord today because He still finds me saved, sanctified and filled with the sweet Holy Ghost.

I want all the saints to pray that I may stay in the center of the Lord's will and do the little things He would have me to do. I want all to pray for my friends and loved ones that they may be saved before it is too late. Pray that the church here will rise and shine for the Lord. — A sister in Christ, Mrs. Carrie Vaughan.

## God Is Able to do More Than We Ask

ROCK SPRING, Ga. — I want to praise God for His healing power. I have been sick with rheumatism. I would suffer so I could not sleep. I promised the Lord if He would heal me I would testify through the Evangel. Last Sunday at church I was suffering so I could hardly be still. Bro. Swift, our pastor, was bringing the message with power. The Lord touched my body with His healing power. I lost sight of my rheumatism and everything but Jesus. Praise His name. I am still praising God for what He has done for me. He has healed me many times. Our God is able to do more than we could ask of Him.

Pray for me to stand true till Jesus comes or calls for me. — A sister under the blood, Mrs. J. M. Fitzpatrick.

## GOD BLESSING AT NEW SUMMITT

BAUXITE, Ark.—I praise the dear Lord for the way He has blessed here at New Summitt this year in the face of all the hard times. He has saved and baptized many souls here. The work here has been shut off nearly all summer but the Lord has made the way for His children who trust in Him. We know His Word is true. He said He knew our needs more than we did. I believe His coming is near and I feel we all need to trust Him more.

I feel our ministers should preach the Church of God and her government stronger for the people need it preached. The New Light people are getting light on the Church and its teachings. Some are coming into the church and being baptized. The power has been falling wonderfully here for the last sixty days and I feel it is because we have been pushing the standard a little higher.

One Saturday night after we had gone to bed a little boy came to our door and said his father and mother wanted us to come quickly. He said his father was crying and praying. He was a sinner who had never known God and his wife was a New Light sister. We stayed until 1:30 that night. The Lord wonderfully saved him and his wife received the light on the Church of God.

We had Brother L. G. Rouse with us. God wonderfully blessed. Many were healed. A girl came to our home and said her mother was dying and wanted Brother Rouse to come and pray for her. We went and Brother Rouse just bade her get up and she did and was instantly healed. She was an Assembly of God woman but we feel she has the light on the Church of God. We are praying now for Brother Rouse to get moved to the state and that we can have him here for about a thirty days' revival. I feel this church will grow. We ask the prayers of the whole Church of God that we will ever stand true and be found lifting the standard higher and higher until Jesus comes or calls. — Yours in the Lord, Mrs. W. I. Burford.

## Churches in Fine Shape

REEDS CROSS ROADS.—When we went out to this church we found it in fine shape. We held a two weeks meeting there. It surely was fine. The people out there surely do treat you nice. We left there Aug. 30 and went to the mountain to Webb's Chapel. Here we found more good people and had a fine meeting. Six were baptized and seven came into the church. We surely did have a feast, both temporal and spiritual. The Lord surely did bless at this place. The

## Deaths

"Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them." — Rev. 14:13.

### COYNE

On Oct. 15, 1931 the death angel visited the home of J. C. Coyne and claimed for its victim his wife, Mrs. Clara Coyne. She was fifty-nine years and four months of age. She was a member of the Church of God. She suffered about two years with cancer of the mouth.

She leaves to mourn her loss her husband, four daughters, four sons, a father, mother, three sisters, four brothers, twenty-two grandchildren and a host of relatives and friends. Her last words were, "I feel like traveling on and let peace be with you all for I am going home."

Immigration authorities, asking that they be permitted to come to the U. S. The funeral was conducted by the pastor, Brother W. H. Yates, assisted by other

church is in fine order. We hated to leave this place but we had to. We left eleven in the altar seeking for the Lord. Brother C. T. Gentry is pastor of both churches. He and his wife are doing a good work.

May the good Lord continue to bless is our prayer. — N. P. Mulkey, Dist. pastor.

## Each Mile of Way Grows Sweeter

ELDORADO, Ill.—I am praising God this morning for victory over sin through the precious blood of Jesus and for the Holy Ghost that abides just now. Fifteen years ago I said good-bye to this world and started to make heaven my home. Each mile of the way grows sweeter. I am praising God for the revival just closed with forty-seven saved, thirty-five sanctified, twenty-five filled with the Holy Ghost, twenty-five baptized in water and twenty-two came into the church. The dear Lord was with us from the beginning. Brother J. P. Hughes, our pastor did the preaching. This closed a successful year for the Church of God at Eldorado. On Wednesday night after the meeting closed on Sunday night we had communion service and feet washing. This was a great success. Many of the saints from different places met with us and we had a great feast with the Lord. A sister, Bertha Summers.

## Y. P. E. at Avon Park, Fla. a Success

AVON PARK, Fla.—Dear Evangel readers, greetings in Jesus' name. I take this great privilege of sounding a note of praise through the Evangel, the paper that I love to read so well. I praise the Lord for this great plan of salvation that keeps a body free from sin. I praise Him for being saved, sanctified and filled with the great Holy Ghost.

The Lord has met with us and blessed in such a wonderful way in the Y. P. E. I feel that we should praise Him for it in this way.

We have an enrollment of fifty-three members and everyone seems to be interested. We thank the Lord for our young boys and girls who show such a willing mind to work. To say nothing of the financial depression of this summer the Endeavor has raised funds and bought a better piano for God's cause and almost have it paid for which we thank the Lord.

We trust that the Lord will continue to bless at this place and save souls for His glory. As a leader of this band of young people I ask every one to please pray for me that I might have wisdom and understanding in perilous times when we should be up and about our Father's business. No time for slothfulness, for when the trumpet sounds and Christ appears I want to hear Him say "Well done thou good and faithful servant."

I have precious loved ones in sin and I want you to remember them in your prayer. A sister under the blood. — Mrs. Robert Landress.

brethren. — Mrs. H. W. Johnson, Rt. 1, Box 78, Okeechobee, Fla.
